

ERCIO A. MUÑOZ-SAAVEDRA

Phone: 202-983-0824

E-mail: erciomunoz@iadb.orgWebsite: <https://erciomunoz.org>**EDUCATION**

- Ph.D. Economics, City University of New York (CUNY) Graduate Center, June 2022
Dissertation title: *Essays on Intergenerational Mobility in Education*
Fields of specialization: *Applied microeconomics, development economics, labor economics*
- M.Phil. Economics, CUNY Graduate Center, Sep. 2019
- M.A. Economics, Georgetown University, Dec. 2015
- M.A. Finance, Universidad de Chile, Nov. 2012
- B.A. Economics, Universidad de Chile, Sep. 2009

WORK EXPERIENCE**Senior Associate, Gender and Diversity Division at the Inter-American Development Bank, Nov 2022 –**

- Support gender and diversity mainstreaming in operational, analytical, and strategic activities.
- Lead research on gender and diversity topics.
- Engage with gender and diversity specialists in other multilateral and bilateral institutions, academic institutions, think tanks, NGOs, and professional bodies to promote collaborations.

Extended term consultant, Poverty and Equity Global Practice of the World Bank, Jul 2021 – Oct 2022

- Developed a state-of-the-art microsimulation model for distributional impacts of climate change and climate action used in several CCDRs (e.g., Vietnam, Rwanda, Sahel, the Philippines, among others).
- Trained staff about using macro-micro models for distributional impacts of climate change.
- Led a CEQ assessment and the creation of a fiscal simulation tool for Tanzania.

Short term consultant, Development Research Group of the World Bank, May 2019 – Jun 2021

- Co-authored a paper about intergenerational income mobility that required harmonizing more than 60 household surveys and writing several ado-files to produce estimates using two-sample two-stage least squares.
- Helped with a paper that required identifying, obtaining, and working with ten complex longitudinal surveys.

Short term consultant, Macro, Trade, and Investment Global Practice of the World Bank, Jul 2018 – Jun 2019

- Co-authored two background papers for a report on LAC's fiscal policy and supported the report's preparation.

Research associate, Stone Center on Socioeconomic Inequality, Jan 2018 – May 2021

- Co-authored two research papers related to unit nonresponse in surveys.
- Supported the creation of the GC Wealth Inequality Dashboard.

Short term consultant, Development Research Group of the World Bank, Mar 2016 – Jun 2016

- Provided research assistance for a project related to pension knowledge acquisition using a longitudinal survey.

Consultant, Labor Markets Division of the Inter-American Development Bank, Mar 2016 – Aug 2016

- Co-authored a paper about wage inequality using employer-employee data in Latin America.

Senior economic and financial analyst, Research Division of the Central Bank of Chile, Feb 2010 – Aug 2014

- Developed a research agenda on forecasting that resulted in 6 peer-reviewed papers and three working papers.
- Worked as an adviser to board member Joaquin Vial.
- Constructed the international macroeconomic scenario relevant to Chile in each monetary policy report.
